Medications

If you left medications for ECS to administer to your child during this school year, please stop by the office at dismissal time on Friday to pick them up if you have not already done so. ECS will discard all medications not picked up by the close of business on Friday, June 2.

Report Cards

ECS plans to release report cards through USPS by June 9 to students whose account balances are current. ECS does not release grade information including report cards and/or transcripts until account balances are paid in full. If you do not receive your child's report card or a final billing statement by June 16, please contact the school office during our summer business hours of 9:00-3:00.

School Billing Notice

Miscellaneous Fees in May: ECS will continue to assess standard charges (extended care drop-ins, rescue meal charges, etc.) to school accounts through the end of the school year. All charges posted after the May 10 due date are *due at the end of this school year*. Please take care of these charges in the TuitionEP app as soon as possible. Report cards will be held until school bills are paid in full.

For Returning Students

SY24 M&A Billing: ECS will assess its SY2024 M&A billing at the end of June. The payment due date for this annual fee is July 10. *Timely payment of this bill will continue to reserve your child's place in next year's classroom.* Since several classrooms are full and we continue to receive inquiries about next school year, failure to pay this charge on time may result in the forfeiture of your child's enrollment. Please contact Mr. Paddock if you anticipate any problems presenting this payment on time.

ECS Summer Mail-outs

Later this summer, ECS will release information pertaining to the 2023-2024 school year via USPS. If your address has changed, please notify the office. ECS will notify you via TuitionEP once this summer packet has been released. If you fail to receive your summer packet, please contact the school office.

Important SY 2024 Dates

ECS will open the 2023-2024 school year with its "Back to School" parent orientation program on *THURSDAY evening, August 24*. More information will be released over the course of the summer. For the sake of your child's academic success next year, we strongly urge you to participate in this important event.

The 2023-2024 school year opens with extended care and a full day of school on Monday, August 28.
