

ECS Update

October 2026

*Partnering with Parents in the Lives of Their Children
for the Sake of the Gospel to the Glory of God*

Attendance Reminder

ECS requires parents to notify the school office by phone or email at the start of the school day any time a student is absent. If students are leaving early or arriving late due to an appointment, parents must notify ECS one day in advance. For any other planned absences, parents must notify ECS (both the office and the child's teacher) as soon as possible.

Cold and Flu Season Reminders

Any child showing symptoms of illness should remain at home. ECS cannot permit any student with a fever of 100.4 degrees or higher into the classroom. ***Children must be fever and symptom free for at least 24 hours apart from medication before returning to the classroom.***

REGARDING TUITION-EP

TEP as Notification App

ECS uses its TuitionEP app to broadcast school-wide information: reminders of important events, inclement weather notifications, etc. Please make sure you have downloaded this app to your device and enabled notifications. If you wish to receive notifications at other email addresses, please notify Mr. Paddock at kpaddock@englesidechristianschool.org.

Addressing Billing Questions

Please contact Engleside at accounting@englesidechristianschool.org if you have questions about your school bill. The help desk at TuitionEP is designed to troubleshoot technology problems and is unable to assist you with ECS billing concerns.

CALENDAR NOTICES

October 2 Parent-Teacher Conference Day

ECS takes its partnership with parents seriously and has designated Friday, October 2, as "Parent-Teacher Conference Day." In lieu of classes, teachers will meet with parents to discuss students' acclimation to the classroom, academic progress, and special concerns. Please respond to your classroom teacher's request to schedule. We ask parents to arrive at the front parking lot and check in at the office. Teachers will then escort parents to the classroom for their conference. Please note that there will be no classes or extended care offered that day, and parents are expected to find other arrangements for their children.

Fall Fundraiser Launch

We will launch our Fall fundraiser on October 2! Engleside will set aside proceeds from this year's fundraising efforts for the purchase of a new vehicle to replace our aging bus. We're selling candy bars this fall, initially distributing boxes of candy on our parent-teacher conference day. We ask all families to sell at least one box of candy bars. Additional boxes of candy may be requested from the office. Candy bars sell for \$2 apiece. Cash and check payments are to be collected and handed into the office. Top sellers will receive prizes. Funds must be submitted by Monday, October 26, to qualify for these incentives.
